The facts of my case are as follows. Attach additional pages if needed.

Basis of discrimination charge stems from violation of civil rights and unfair treatment in the workplace of an individual under a protected class 'disabled'. The ADAAA process was improperly handled which resulted in no interaction or accommodation being offered. Hired for a specific role yet was cohearsed to stay in a secondary role in which experienced difficulties. Even though expressed concerns with the Supervisor and Manager, nothing was done to return to the function that was more suitable. The forms of harassment led to stress and medical problems contributing to the onset of disabling condition. Even though not detailed, within unfair treatment was discrimination based on age and race in addition to the disability. Hostile work environment. Never given review or merit for 2018 contribution. Accrued time not allocated. Desk items not recovered. Vested after 6.5 years. Should have been given due consideration.

(Note: As additional support for the facts of your claim, you may attach to this complaint a copy of your charge filed with the Equal Employment Opportunity Commission, or the charge filed with the relevant state or city human rights division.)

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Pro Se 7 (Rev. 12/16) Complaint for Employment Discrimination

Prefer to be given accommodation of part time employment which includes remote work with a reduced schedule of hours and days. Should receive package with backpay and continuation of benefits subsidized by company for respective period. There is no monetary amount that can make up for pain and suffering endured from the unfair treatment received, therefore, asking for highest possible settlement through the court to make that determination. The work environment was so stressful that after work and eating dinner went to sleep as physically and mentally exhausted so the quality of life had dimished. No one should have to endure such an experience while on the job. Unfortunately, an unexpected diagnosis required emergent treatment that was life changing and has substantially affected activities of daily living which is why need to ease back into the workforce through part time employment. This should have been offered during the ADAAA process or at least an extended leave or a disability retirement.
